

Remarks

Claims 1-10, 14, 15, 17 and 20-23 were pending in the application. Claims 1-9 and 20-23 are canceled. Claims 10, 14, 15 and 17 are pending and allowed. Please reconsider and reexamine the application in light of the cancelations, and the remarks which follow.

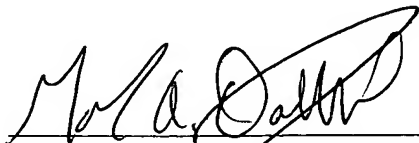

After final action, amendments may be made canceling claims. 37 CFR 1.113(c) and 1.116(b). Claims 10, 14, 15 and 17 were allowed.

The Final Action at page 1 indicated claim 13 was allowed but Applicant interprets this to be a typo and that claim 14 is instead allowed (as mentioned at page 5 of the Final Action).

The Final Action at page 2 indicated claims 10, 14-15 and 17 were rejected as being indefinite under section 112. Upon further reading it appears this is a typo and that the rejection under section 112 was only intended to be applied to claims 1-7 which are now canceled.

It is believed the application is in condition for allowance. Please reconsider and reexamine the application in light of the cancellations and remarks; and telephone the undersigned attorney if it could help to expedite the resolution of this application.

Respectfully Submitted,
